Honorable Nydia M. Velazquez
Congress of the United States House of Representatives
2302 Rayburn Building
Washington, D.C. 20515

Dear Congresswoman Velazquez,

This response is to concur with your letter to Jason Silverstein and David Shorenstein, owners and landlord, of Silvershore Properties concerning the suspended Section 8 apartments located at 1708 Summerfield Street, Ridgewood, New York.

Our records indicate that there are six apartments under suspension due to HQS violations. NYCHA notified the landlord and tenants of the failed inspection results for the suspended units and HQS violations that were identified during the inspection process.

The tenants residing in the suspended units have been advised that they may obtain a Section 8 transfer if the Landlord does not make the required repairs within the specified timeframe.

We have not received notification from the landlord to schedule a reinspection of those units and reinstate subsidy payments accordingly.

Sincerely,
